RAMSOL: 22lr Bottle - Full Kit

RAMSOL: 500ml

RAMSOL: 22lr Bottle

**Ramsol Sanitiser Disinfectant Spray** contains active biocides, specifically designed for the cleansing and disinfecting of hard and soft surfaces as well as tested and proven for use on skin. This product delivers residual action control of an extensive range of microorganisms whilst still protecting the skin.

The Ramsol sanitiser spray is a revolutionary mist spray with fogging technology designed to sanitise and disinfect difficult to reach and intricate areas with full surface coverage. Available in a 500ml aerosol and a 22 litre canister. **Meets BS EN 1276 1650 14476**

## Face Masks
