

A GUIDE TO CUSTOM WORKBOARDS

Created by Signs Now UK

THE FUNCTIONS OF WORKBOARDS

Workboards are visible in a variety of organisations. This is because they have multiple purposes. For example, workboards provide:

Motivational support for employees; showcase targets and key performance indicators (KPI)

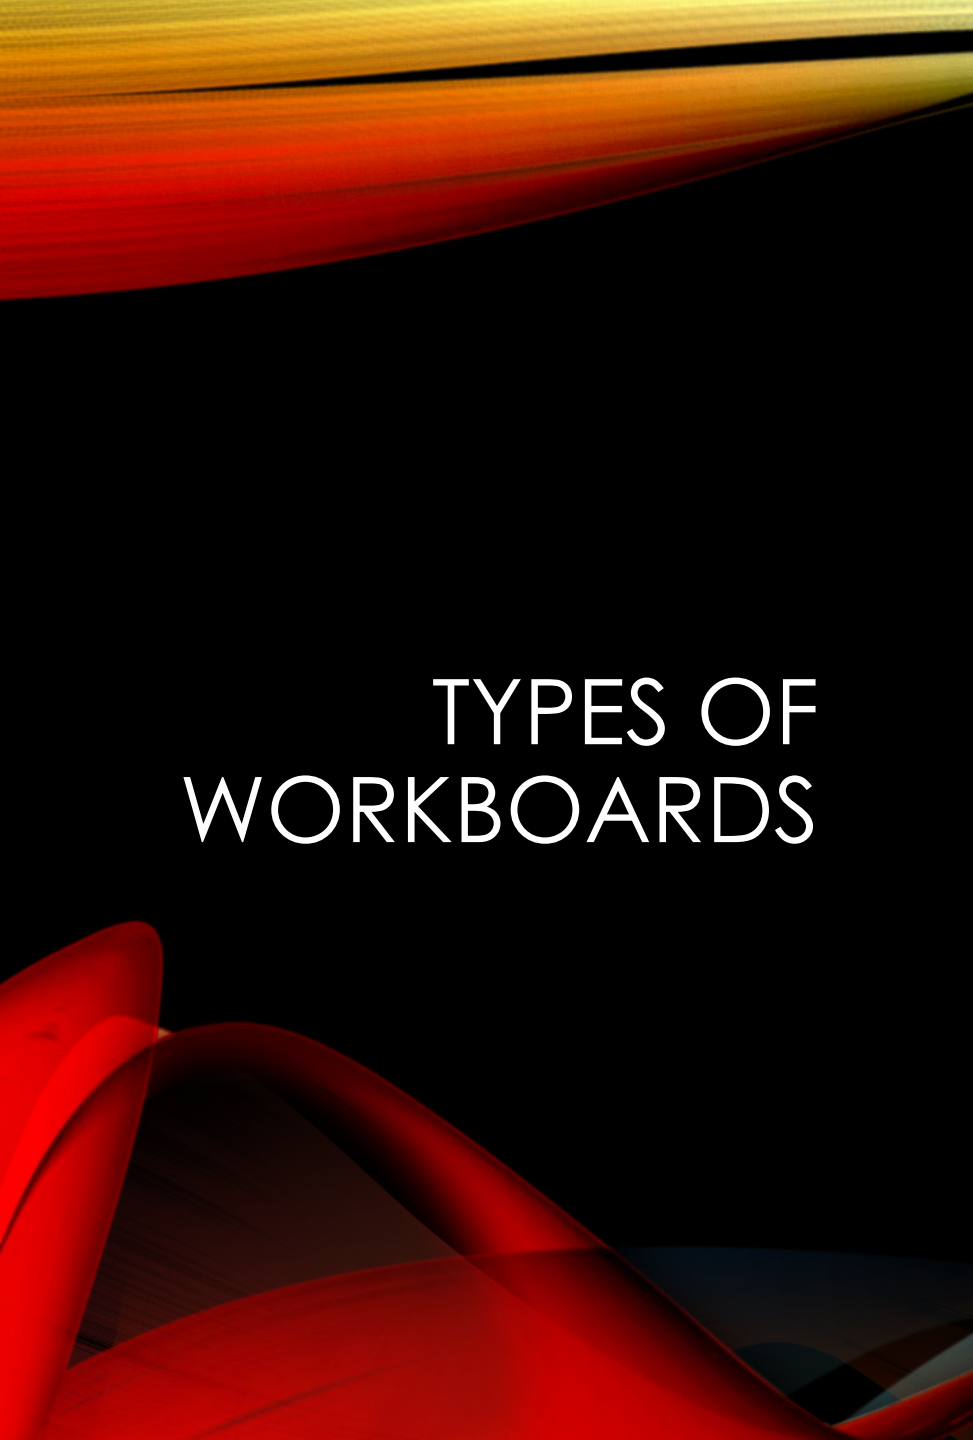

Represent organisational visions and values

Communicate organisational updates/changes

Present key stakeholders within organisations

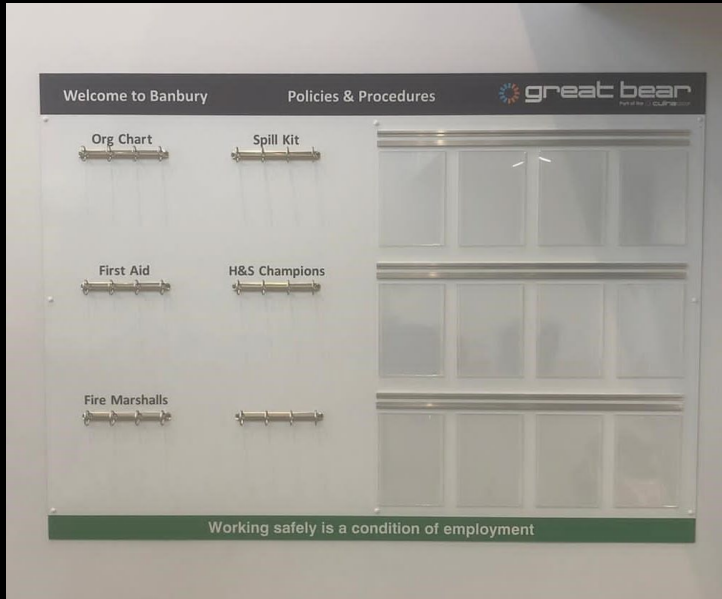

TYPES OF WORKBOARDS

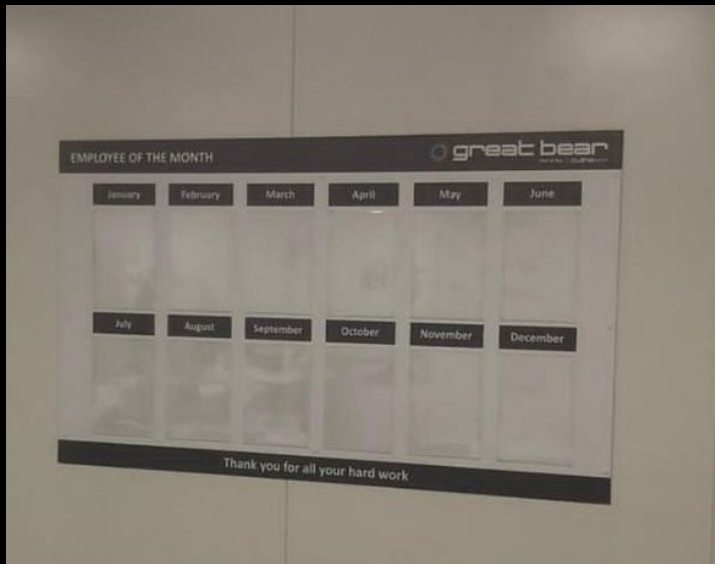

At Signs Now, we recognise that no two companies are the same, therefore we produce a **variety** of workboards to ensure there's something for everyone!

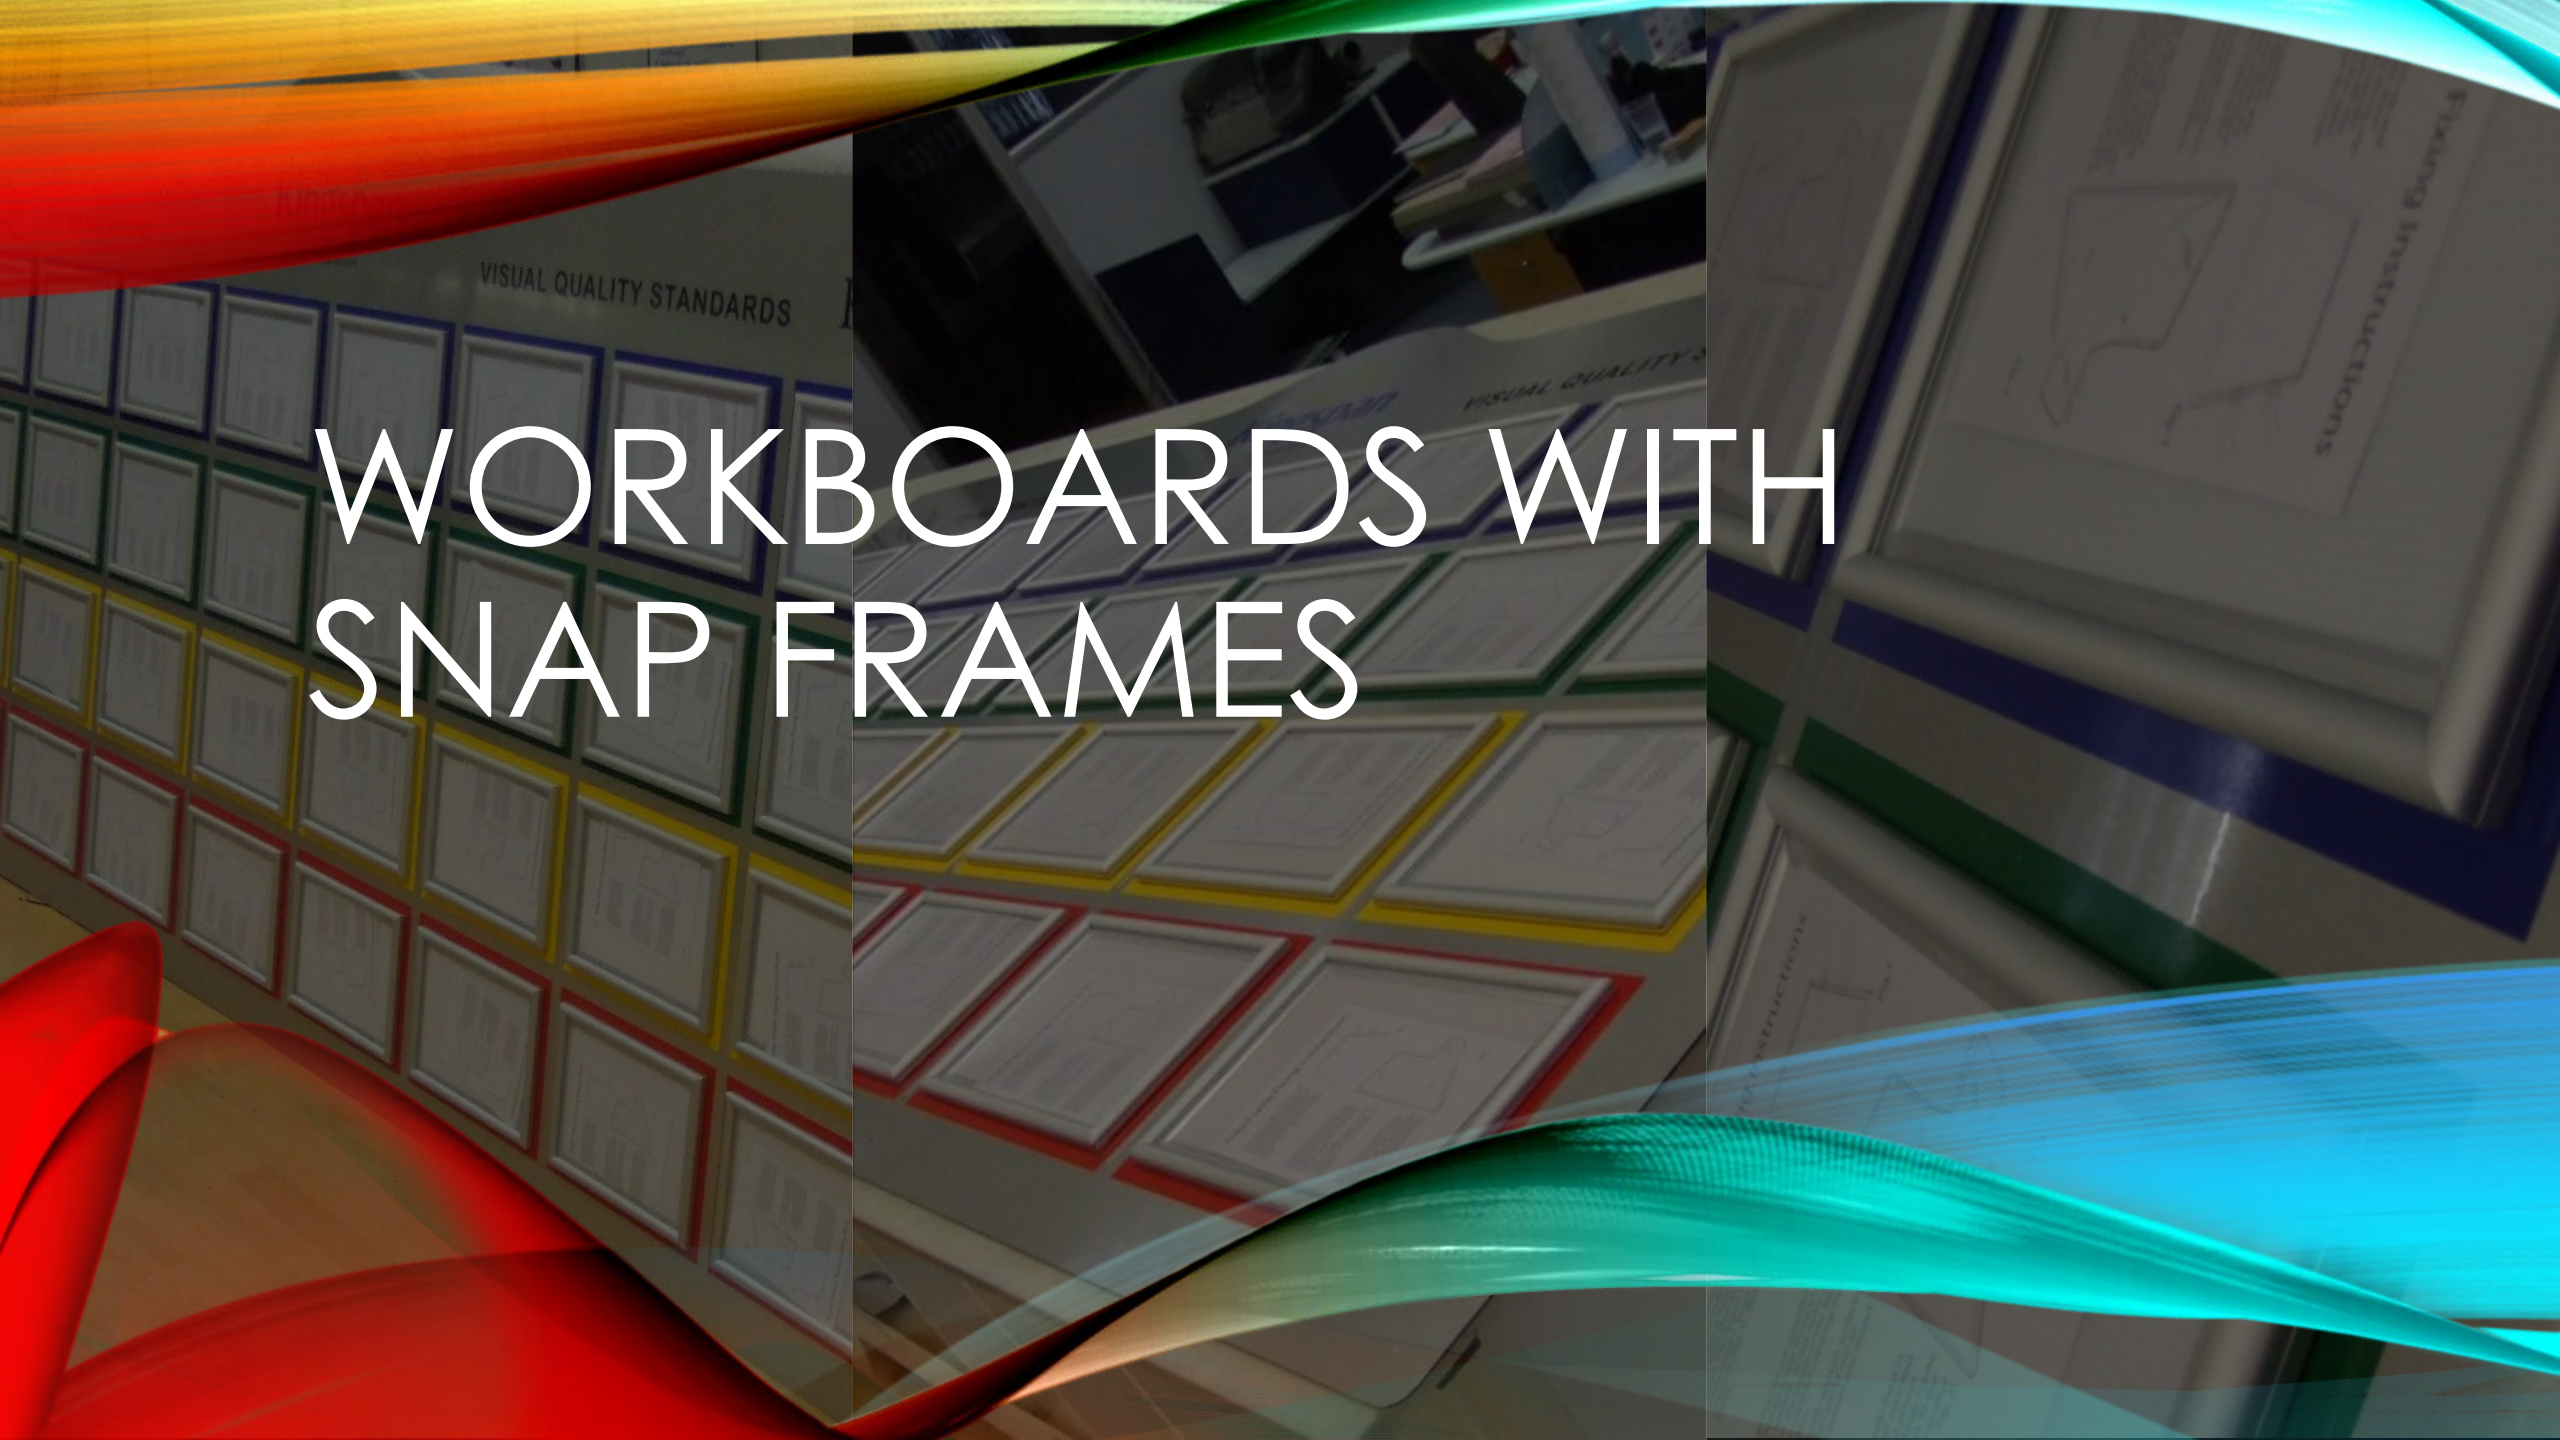

Signs Now can help you with designing and manufacturing:

- Acrylic pocket workboards
- Workboards with snap frames
- Printed graphics applied directly to workboards
- Traffic light system workboards
- Ring binder workboards
- Dry-wipe magnetic workboards
