What You Need to Know

As you reopen your restaurant, three key steps can ensure you are well-equipped to get back to business:

- **Ready.** Protect your staff and outfit public areas with directional and safety signage and graphics.
- **Get Set.** Prepare your gathering and dining spaces to meet social distancing policies and limit exposure among staff, customers and other visitors.
- **Go!** Communicate your reopening, new safety procedures and menu offerings with direct mail, signage, banners, large graphics, email campaigns and more.

Get Set: Hand Sanitizer Options

Hand sanitizer has become an essential part of doing business.

We offer several different types of hand sanitizer solutions depending on your need.

Your One-Stop Local Resource

These recommendations have been designed based on government regulations, and we hope this guide gets you thinking about your educational facility, students and staff. We all need to be mindful of government safety standards.

Our goal is to help guide you through all the ways you can meet required guidelines and provide peace-of-mind as you resume operations.
